

We are a Ruby's Rainbow Sponsor!

Ruby's Rainbow is a non-profit organization dedicated to helping adults with Down syndrome reach their highest potential.

Life and learning does not stop after high school, and we believe that education should not stop either. Ruby's Rainbow goal is to grant postsecondary educational scholarships to amazing individuals for college or enrichment classes. The college experience provides not only an opportunity to gain a degree, but it offers these students a chance to gain independence and build new relationships. It is about their being a part of a community of people committed to higher education and inclusion.

www.RubysRainbow.org

The employees of Dr. Yu and Associates participated in a recent bowling fundraiser. Together with many other teams, **enough money was raised to grant all 12 Ruby's Rainbow applicants a scholarship. *What a huge success!***

We are committed to the healthy well-being of the individuals within our communities.
