

**THE TRAVIS COUNTRY SWIM CLUB** operates for the benefit of the youth in the Travis Country subdivision. It is a summer team program of competitive swimming with the goals of encouraging children to challenge themselves, gain competitive swimming skills, act in a sportsman-like fashion and contribute to their neighborhood.

**Dr. Yu was a 2013 sponsor for the sharks this season.  
Generosity like this is what keeps a team of over 300 swimmers going!**
